GROUP OF TEN COASTAL REGIONAL DISTRICTS MEET WITH BC FERRY COMMISSIONER TO DISCUSS HIS REVIEW OF THE COASTAL FERRY ACT

Victoria, British Columbia, February 1, 2012 – The Chairs of nine coastal Regional Districts and the Islands Trust met this week in Victoria with Gordon Macatee, BC Ferries Commissioner, to discuss his recently completed Review of the Coastal Ferry Act.

“We applaud the Commissioner for the high quality of his Review of the Coastal Ferry Act and his unprecedented consultation with the residents of BC’s coastal communities about the coastal ferry service,” said Colin Palmer, Chair of the Powell River Regional District and leader of the Coastal Regional District Chairs group. “Our group was very appreciative of the meeting with the Commissioner today and look forward to working with the Provincial government to address issues within, and beyond, the Commissioner’s mandate”.

The group met with the Minister of Transportation and Infrastructure and the Premier last September to advocate for improvements to the coastal ferry service and will be accepting the Premier’s offer to meet again now that the Commissioner’s Review has been completed.

Our group remains committed to collaboratively improving the coastal ferry service with the Commissioner, the Minister and the Premier for the good of all British Columbians,” said Garry Nohr, Chair, Sunshine Coast Regional District.
