*Dear Mr. Steeves:*

*I am pleased to have met you and the residents of Pender Island during my recent visit. It was a pleasure to see this picturesque island filled with many friendly people who are blessed to call such an idyllic place home.*

*Thank you so much for acting as our island tour guide and for the book titled A Place in the Islands, which will serve as a memento of the great time that we had in your company and of the island you care so much about. Your kindness is greatly appreciated.*

*Again, thank you and best wishes.*

*Yours sincerely,*

Lieutenant Governor of British Columbia*
