FINAL CANDIDATES CONFIRMED FOR 26 ISLANDS TRUST POSITIONS

VICTORIA — Following the deadline for candidates to withdraw from local government elections, 46 candidates, including 19 incumbents, are running for trustee positions representing twelve local trust committees and Bowen Island. Voting day is Saturday, November 15, 2014.

In the Gambier and Hornby Island Local Trust Areas only two candidates were nominated for the two available positions on each island. All have now been confirmed elected by acclamation. One Bowen Island candidate for the Islands Trust has withdrawn.

Like other communities in British Columbia, island communities now elect their local government representatives for a four-year term, following provincial changes to the *Local Government Act*. Voters in each of the 12 local trust areas elect two local trustees who serve in two roles – on a local trust committee and on the Islands Trust Council.

Local trust committees make land use planning decisions for their communities. They are responsible for decisions about official community plans, zoning and subdivision regulations and a variety of development applications.

The Islands Trust Council makes decisions about overall policy, advocacy, inter-governmental relations, staff resources and budget.

On Bowen Island, voters elect two municipal trustees at the same time they elect the Bowen Island Municipal Council. The municipal trustees represent Bowen Island on the Islands Trust Council.

All elected bodies within the Islands Trust have a provincial mandate to preserve and protect the Islands Trust Area and its unique amenities and environment for residents and all British Columbians.

The Islands Trust is a federation of local government bodies representing 25,000 people living within the Islands Trust Area and another 10,000 non-resident property-owners. The Islands Trust is responsible for preserving and protecting the unique environment and amenities of the Islands Trust Area through planning and regulating land use, development management, education, cooperation with other agencies, and land conservation. The area covers the islands and waters between the British Columbia mainland and southern Vancouver Island. It includes 13 major and more than 450 smaller islands covering 5200 square kilometres.
