

## North Pender Island Local Trust Committee

### **Trustee Corner**

March / April 2015

Here we are at the end of March. It has been busy one with 2 meetings and Trust Council on Gabriola Island for 3 days. The Trust Council was a good time to meet and talk with Trustees from the other Islands, find out what is happening on their Islands. The information from the Trust Council is on the website if anyone is interested. The March 4 meeting was well attended, and I encourage everyone to come out and participate, coffee and cookies available. Thank you for your interest. The agendas are always on the website, and meeting dates and times are posted on bulletin boards around the Island.

The next meeting will be on Mar 26<sup>th</sup>, at the Community Hall and then on April 30, the location to be announced soon.

One of the main subjects for discussion coming up in the next meetings will be about Waste Management on Pender. If you or anyone you know may have some good information or expertise in the subject would be welcome to attend some steering committee meetings in the near future. Please feel free to contact Dianne or Derek to express an interest.

We are also looking for new members to sit on the APC Advisory Planning Committee, where you will be required to meet and discuss any issues that we may ask you to consider. There is an ad in the local papers, and on our website. Please send your application to [Islandstrust.bc.ca](http://Islandstrust.bc.ca).

Looking forward to seeing you at the meetings.
