

NOTICE OF MEETING

NORTH PENDER ISLAND ADVISORY PLANNING COMMISSION

The next meeting of the North Pender Island Advisory Planning Commission (APC) will be on Thursday, April 23, 2015, at 10:00 am, in the Community Hall Lounge. The only agenda item is:

- 1. HOUSING TOP PRIORITY:** The elected North Pender Island Local Trust Committee has asked the APC to give some advice/feedback on whether the LTC should take a **comprehensive approach** to the Housing top priority (e.g. consider multiple issues together), or a **phased approach** (focus on one major issue at a time).

The APC is made up of volunteer community members appointed by the elected Local Trust Committee (LTC), to provide APC comment on referred land use matters. Community members are welcome to attend APC meetings, and may have a chance to comment very briefly.

However, all public feedback on matters discussed by the APC should be directed to the Trustees of the North Pender Island Local Trust Committee care of Island Planner Justine Starke (jstarke@islandstrust.bc.ca).
