Since our last meeting, I have done the following:

- c) Attended Trust Council on Gabriola Island from March 9<sup>th</sup> until the 12<sup>th</sup>. Highlights included an intensive Planning workshop, the Budget debate and the passing of our 2015/2016 budget and the commencement of Strategic Planning discussions. We also had great presentations from a variety of groups including the Blue Dot group from the Suzuki Foundation.
- d) Met with Capilano Highways on Keats Island on March 16<sup>th</sup> related to the roads on Keats and then attended the inaugural meeting related to roads on Gambier with Capilano in Gibsons.
- e) Attended a Woodfibre LNG Roundtable session on March 21<sup>st</sup> on Gambier.
- f) Submitted comments and concerns as a Trustee to the Environmental Assessment Office related to the Woodfibre Proposal on March 23<sup>rd</sup>. My comments are available to the public.
- g) Will be attending the “Soft Shores Workshop” near Chaster Beach put on by the Local Trust Committee on March 25<sup>th</sup>.

In addition to the above, I helped to coordinate the work being done on Keats and elsewhere in our Local Trust Area for the RAR (Riparian Area Regulations) study being done in the Gambier Trust Area.
