Freedom of Information and Protection of Privacy

Personal information contained on this form is collected under the *Local Government Act* for the purpose of responding to this application, or for purposes directly connected with this application. Information on your application form may be available to the public upon request under freedom of information legislation. Please contact a Deputy Secretary at one of the above noted offices if you have any questions

The processing of your application will be delayed if it is incomplete. Please read the guide before you complete the application form. Keep the guide for your reference during the application process. Contact a staff person for assistance.

Mail or deliver the completed application form, fee, plans and supporting material to the Islands Trust Office. The fee is payable to the Islands Trust. Contact Islands Trust staff for the current fee prior to submitting your application as fees may change annually.

If the space provided below for each section is not sufficient, please attach additional information using a Microsoft Word, Excel, Text or a separate PDF Document.

SECTION 4: Describe the current uses of the land and buildings on the property.

SECTION 5: Provide one full-scale, and three (3) reduced (11 x 17) copies of a detailed site plan and other drawings that must include the following:

- existing and proposed uses on parcel
- existing bylaw requirements and proposed variance with accurate dimensions
- uses of existing and proposed buildings
- dimensions and/or floor areas of existing and any proposed buildings
- height of existing and proposed buildings/additions
- setbacks for all existing and proposed buildings to property lines, natural boundary of sea, watercourses and cliffs
- setback of existing and proposed septic field to natural boundary of the sea and watercourses (where applicable)
- parking areas including numbered parking stalls, aisle widths, stall dimensions (where applicable)
- all wetlands, sewage disposal field(s), septic tanks, wells, drainage areas, ponds and topography
- landscaping showing existing and proposed landscaping. Also, include an estimate of the cost of landscaping, provided by a Landscape Architect or qualified professional. This estimate will be used to determine the amount of any security required.
- evaluation plan

SECTION 6: Describe the proposed variances to the bylaw requirements that are needed for the proposed development of the property. On your site plan, show the existing bylaw requirement and your proposed variance with accurate dimensions.

SECTION 7: Describe the reasons for the proposed variance and why the current bylaw requirements cannot be met in the proposed development.

SECTION 8: Describe how the property and the surrounding lands may be affected by the proposed variance, show any of the affected features on your site plan, and describe how you propose to mitigate.

SECTION 9: Describe any consultation you have done with your neighbours.
