June Islands Trust Council Program Announced

VICTORIA - The Islands Trust Council will hold its next quarterly business meeting June 14-16, 2011 at the Seniors Centre on Denman Island. The public meeting starts Tuesday, June 14 at 1:00 p.m. and is expected to finish by 11:15 a.m. on Thursday, June 16.

The 26-member Council makes decisions about overall policy, staff resources and financial management for the Islands Trust and has broad responsibilities to uphold the Islands Trust mandate.

Trust Council invites members of the public to participate in a town hall session, a regular forum for islanders to address trustees, starting at 1:30 p.m. on Wednesday, June 15. Persons or organizations wishing to reserve time to make a formal delegation to the Islands Trust Council on topics relevant to the Islands Trust's work must receive an appointment through the Executive Committee. Please send the topic and the speaker's name and e-mail address by Monday, May 30 to the attention of Marie Smith (email: msmith@islandstrust.bc.ca; fax: 250.405.5155). Guidelines for making a presentation to Council are available at www.islandstrust.bc.ca/tc/addresstips.cfm. Please note that the Islands Trust Council does not make local land use decisions, which are the responsibility of the local trustees within their respective local trust areas. A copy of the agenda package for the June Council meeting will be available for viewing at our Victoria, Salt Spring Island and Gabriola Island offices after Tuesday, June 7.

Trust Council Sessions will include:

Denman Island Marine Stewardship Committee (June 14) – The committee will present information and concerns about the marine environment surrounding Denman Island, and in particular the Baynes Sound area.

Carbon Offset/Carbon Neutral Operations (June 14) – Trustees will receive information on carbon offsets, forest carbon credit projects and the Islands Trust goal to achieve a carbon neutral footprint for its operations.

Rural by Design: Practical Island Examples (June 15) – Noba Anderson, Regional Director for Cortes Island with the Strathcona Regional District will lead a presentation on Siskin Lane and Everwoods, two developments on Cortes Island that embrace the principles of sustainable rural design.

Delegations and Town Hall Session (June 15) – The public is invited to discuss issues and make suggestions about the work of the Islands Trust Council. The time available for the informal town hall session will vary, depending on previously scheduled delegations.

Information and Decision Items (June 14 & 15) – Trust Council will consider a variety of routine business updates and decisions and will review recommendations from each Council Committee regarding its proposed work program for the coming quarter. Decision highlights will include a decision about the recipients of Council's annual Community Stewardship Awards and representations to the province about ferry fares.
