Dear SCRD Board of Directors:

Re: Annual Island Clean-up Event

I am writing on behalf of the Gambier Island Local Trust Committee in regard to the Annual Island Clean-up Event conducted by the SCRD Solid Waste Department.

The Local Trust Committee would like to emphasize the importance of this annual event for the many Islanders in Electoral Areas B and F who contribute to the SCRD solid waste collection service. It is well received and well attended by Islanders. We would also like to emphasize the importance of scheduling this event in order to reach the greatest number of Islanders during the summer months. Further to this, we note that this year, collection for the Thormanby Islands is scheduled to occur after the Labour Day weekend, when many Islanders have typically left the island for the season.

The Committee respectfully requests that, going forward, this event be scheduled to occur during the months of July and August, when the majority of island home owners can be physically present on the islands. As always, Trustee Stamford and Trustee Rogers are available to assist in any way including communications to Islanders.

Sincerely,

Susan Morrison
Chair, Gambier Island Local Trust Committee
