- by mail to Lasqueti Island Local Trust Committee, 700 North Road, Gabriola Island, BC, V0R 1X3; OR
- dropping off in person at the Lasqueti Island Local Trust Committee regular business meeting September 18<sup>th</sup> 2017 at the Judith Fischer Centre or special community information meeting on October 6, 2017 at the Community Hall; OR
- You may send an email to [laltc@islandstrust.bc.ca](mailto:laltc@islandstrust.bc.ca)

## QUESTION | COMMENT FORM

We have a waterfront home, which would fall under DPA1. It is located at lot 3 section 31 off False Bay.

We generally support measures that will protect the ecology of the shore areas and the viewscape ~~of~~ from the water of (houses?).

Our concern is that in our case access is by water only. If our parcel were to be used as a full time residence a dock would be required to reach water at all tides.

over

TURN OVER --->

We would like a provision in the zone to allow enough docks that water access only properties have some sort of safe all tide means of getting to places in bad weather or low tides

Thank you

Tim Rawling
