**To:** Lasqueti Island Local Trust Committee  
**Subject:** Against Waterfront protection proposal

To whom it may concern:

I am totally against any more restrictions on my private property.

I live here to get away from these rules and regulations.

I have talked to a lot of people and not one person is in favour of these proposals.

I would hope Our Island representatives Will accurately Reflect the voices of the community and vote against these proposals that take away our rights and freedoms as property owners on our island.

Regards,
