Re: Weldon Road, Lasqueti Island

Dear Stuart:

At the Lasqueti Island Local Trust Committee of February 19, 2018, the Local Trust Committee passed the following resolution:

LA-2018-008

It was MOVED and SECONDED,

that [the] Lasqueti Island Local Trust Committee Chair write a letter to the Ministry of Transportation and Infrastructure (MOTI) to highlight road safety issues concerning Weldon Road.

CARRIED

This request follows the receipt of public comments concerning the ongoing safety of Weldon Road, particularly in regards to subdivision applications.

Concerns expressed at the meeting included: there are extremely narrow portions of Weldon Road where two large vehicles have difficulty passing, there are blind corners and poor visibility, and the potential for an accident is high.

Thank you for your attention to this matter.

Sincerely,

Laura Busheikin, Chair
Lasqueti Island Local Trust Committee
