Re: Consideration of support for the Powell River Regional District's application to the Building Canada Fund for grant funding for the purposes of reconstructing the Lasqueti Island Fire Hall

Attention: Mike Wall

On February 13, 2015, the Lasqueti Island Local Trust Committee passed the following resolution without meeting:

“THAT the Lasqueti Island Local Trust Committee request staff to write a letter to the Powell River Regional District, to be signed by the chair on behalf of the Local Trust Committee, indicating that the Local Trust Committee will consider the Powell River Regional District's request for support of their application for grant funding to the Building Canada Fund for the purposes of reconstructing the Lasqueti Island Fire Hall at their next regular business meeting.”

Should the Regional District or the Building Canada Fund have any questions about this letter, please contact me.

Sincerely,

Laura Busheikin
Chairperson
