Bruce Milne, Chair
Sunshine Coast Regional District
1975 Field Road
Sechelt, BC V0N 3A1

Dear Chair Milne:

I am writing on behalf of the Gambier Island Local Trust Committee to congratulate you on your recent appointment as Chair of the Sunshine Coast Regional District Board.

The Gambier Island Local Trust Committee is comprised of three elected trustees, including two local trustees and one trustee from another island within the Islands Trust Area who serves as chair. By way of this letter, I would like to introduce you to the local trustees for the Gambier Local Trust Area – Trustee Dan Rogers and Trustee Kate-Louise Stamford.

As the Gambier Island Local Trust Committee is solely responsible for land use planning for the islands within Electoral Areas B and F of the Sunshine Coast Regional District, it is important that our respective agencies continue to communicate on matters of importance to islanders. This relationship is formalized through our protocol agreement, which is available on the Islands Trust website: <http://www.islandstrust.bc.ca/media/343369/02orgagrdec142009reg.pdf>.

We look forward to meeting with you at our next protocol meeting and working together in the future.

Sincerely,

Susan Morrison
Chair, Gambier Island Local Trust Committee
