Thelma Bernice Grant
Born October 14, 1914 on Denman Island

Dear Mrs. Grant,

I am writing on behalf of the Denman Island Local Trust Committee to congratulate you on the very special occasion of your 100th birthday.

The Swan family holds a special place in Denman's history, as one of the Island's first settler and farming families. We understand you spent your childhood and early youth on the Island and we are pleased to think that your time here, and your family's heritage on the Island, has shaped you in many positive ways.

A 100th birthday is cause for celebration and we wish you a very festive day.

Sincerely,

A handwritten signature in dark ink, appearing to read "Susan Morrison".
