On May 1, 2020, the BC Minister of Public Safety and Solicitor General issued an order (M139), allowing local governments including trust bodies (Islands Trust) to conduct electronic meetings without a location for the public to gather. This order also allows for bylaws to be read and public hearings to be held electronically.

The Islands Trust appreciates your understanding as we adapt to new ways of working, which ensure the health and safety of our staff, trustees and the public.
