# **Flexible Housing Local Trust Committee Special Meeting January 18th, 2021, 1 PM via Zoom Webinar**

December 10, 2020

File: 6500-20

Over the past year the Mayne Island LTC has been exploring options to facilitate housing flexibility on individual lots that supports housing affordability with a light ecological footprint. This special meeting will provide the opportunity to identify questions and discuss options to support the development of multiple smaller homes on residential properties. Larger multifamily developments and existing applications are not the focus of the meeting.
