

GANGES VILLAGE AREA PLAN TASK FORCE

CALL FOR APPLICATIONS

Ganges Village Plan Task Force

If you are passionate about planning the future of Ganges Village and believe you have the expertise, and experience to serve on the Task Force, we invite you to submit an application for consideration. The Salt Spring Island Local Trust Committee (LTC) is seeking a diverse group of people to join the Ganges Village Area Plan Task Force.

The **Ganges Village Area Plan** intends to provide a holistic approach to examine and address issues impacting the social, economic, cultural and environmental sustainability of the Ganges Village community. As a member of the Task Force, you will consider information from professional agencies and assist in the creation of the Ganges Village Area Plan process.

This is an exciting opportunity for you to bring positive and meaningful changes to your community. If you have experience serving on a community board or commission, or if you have the skills and experience you can contribute, you have the time and energy to share, and you love brainstorming of ideas, we will love to hear from you.

Before you apply, please review the Task Force [Terms of Reference](#) and the [Ganges Village Area Plan Project Charter](#). To apply, please visit our [project webpage](#) for the application. When you fill out the application, be sure to provide us with as much as information as you can to showcase your experience and expertise (a resume is welcome), and why you would like to commit to serving on the Task Force. The SSI LTC looks forward to reviewing and considering your application.

Application deadline has been extended to the end of February.

Please contact our Islands Trust office if you have any questions.
