- Member of the public stated Sue Big Oil is a movement calling on local governments to fund a class action lawsuit against big oil companies by contributing \$1.00 per resident and asked Islands Trust to endorse the campaign and work with other local communities who have committed funds.

8. APPLICATIONS AND REFERRALS**8.1 DE-RZ-2024.1 - Proof of Sewage Treatment Capacity for the Triple Rock Land Cooperative/CoHo Landing Rezoning - Verbal Discussion**

Speaking on behalf of Triple Rock Land Cooperative, Laura Busheikin stated the Cooperative engaged a wastewater engineer who verified that adequate sewage treatment can be created on the site and she enquired if an email from the engineer is sufficient at this time.

Discussion ensued and Trustees noted the following:

- It was not a requirement to provide proof that a wastewater system could handle the sewerage of a secondary suite when the Local Trust Committee created the ability for property owners to build a suite within R2 (Rural Residential) zone;
- Email provided is a professional opinion that the site has the capability of handling additional sewerage from suites;
- Many of the Cooperative property owners may never build a secondary suite; and
- The intention was that sewerage capacity will be demonstrated as the builds are planned.

Planner noted the following:

- Application is part of a rezoning process which is different than an individual homeowner adding a suite;
- Triple Rock Land Cooperative is requesting nineteen units of additional density and, while all units might not be realized, the Local Trust Committee may want to consider the implications of creating a zone that cannot be implemented if the land is unsuitable for septic systems;
- If septic systems are not feasible, owners may face substantial unexpected costs for alternative systems which could affect the viability of the project;
- The Local Trust Committee could consider requiring proof of septic capability at the time of build and this could be built in to the zoning requirement; and
- Once the zone has been drafted, it will come back to the Local Trust Committee and there will be opportunity to review conditions of use and wording for the specific zone and make amendments at that time.

DE-2024-056**It was MOVED and SECONDED**

that the Denman Island Local Trust Committee is satisfied with the requirements set forth in DE-2024-049 for the applicant for DE-RZ-2024.1 (Triple Rock Land Cooperative) to submit confirmation from a qualified professional the subject property has adequate conditions to support wastewater systems is sufficient for now and that the Local Trust Committee will request more comprehensive wastewater treatment information prior to construction.

CARRIED**9. LOCAL TRUST COMMITTEE PROJECTS**

9.1 Minor Project: Housing Related Temporary Use Permits Review - Staff Report

Planner summarized the Staff Report and highlighted the following:

- Draft bylaws are to remove the requirement of a Temporary Use Permit for secondary dwellings on lands zoned R2 (Rural Residential), A (Agriculture), F (Forestry) and RE (Resource);
- Currently 37 properties in the specified zones;
- Reports from Vancouver Island University and Housing Advisory Planning Commission, as well as community input recommended removing Temporary Use Permit requirement for secondary dwellings; and
- Bylaw also proposed removal of the density bank as it is administratively complex, requires careful tracking and regulation, and has become obsolete.

Trustees had no questions for the Planner and noted that the removal of the density bank and removal of the requirement for a Temporary Use Permit for secondary dwellings allows for the creation of more housing.

9.2 Major Project: Denman Housing Review Project - Stage 2 – Memorandum

Planner noted that work was being done and draft bylaws would be coming forward for consideration by the Local Trust Committee in late fall.

Trustees reaffirmed commitment to have the project move forward in a timely manner and get draft bylaws to the public for debate and discussion.

10. CORRESPONDENCE

(Correspondence received concerning current applications or projects is posted to the LTC webpage)

10.1 Email dated July 28, 2024 from S. Griffin regarding Denman Island Heritage Designation Bylaw Proposal

Planner noted that the following options were available for consideration:

- Denman Island Community Heritage Register provides heritage recognition but does not constitute formal protection and the property might be eligible for inclusion on the Register; and
- A Heritage Designation Bylaw would provide long-term protection ensuring property preservation and would include registration with BC Government Heritage Branch, and if the Local Trust Committee were interested in this option, it would be considered a minor project.

Discussion ensued and Trustees indicated the building has significant colonial history and while they would consider adding the property to the Denman Island Community Heritage Register, they are not interested in adding a Heritage Designation Bylaw to the minor projects list.

Staff indicated they will send information on how to nominate the building to the Denman Island Heritage Register to the letter writer.
