

Financial Planning Committee Responsibilities

Annual Budget Process

Facilitates Council's involvement in the annual budget process.

Budget and Financial Planning

Facilitates the linkage of the annual strategic planning process with the annual budget process.

Financial Management

Reports to and makes recommendations to Council regarding the organization's financial management practices.

Annual Audit

Appoints (from amongst its members but excluding members of the Executive Committee) an Audit Committee for the purposes of reviewing and recommending approval of the annual audit.

Islands Trust Conservancy Board Support

Provides advice to the Islands Trust Conservancy board on financial services and support available from the Islands Trust.
