MAYNE ISLAND LOCAL TRUST COMMITTEE

NOTICE OF COMMUNITY INFORMATION MEETINGS: Flexible Housing

For over a year the Mayne Island Local Trust Committee (LTC) has been working on identifying approaches to increasing affordable housing on the Island while limiting impact to the natural environment. After detailed exploration of possibilities, the LTC is supporting an approach that will allow additional dwelling units on smaller lots within a maximum square footage (Flexible Housing).

The purpose of this CIM is to provide opportunity for community input on draft bylaws which include options for number of houses, square foot maximums and proposed area for piloting the Flexible Housing initiative.

TIME: 1:05 pm to 1:45 pm (during LTC regular meeting)
