

Dave Olsen has been a resident of Lasqueti Island for over 20 years, building his dream on raw land. Now accompanied by his teen-aged daughter, he is running for Trustee to help preserve the way of life that he and his daughter have chosen Lasqueti for.

Dave will only represent residents and land-owners of Lasqueti.

Dave has successfully run his own independent small businesses for almost 30 years and knows firsthand how to balance budgets and plan for the future. He is trained as a facilitator and a Non-Violent Communication mediator. He was also the minute-taker for Lasqueti's Local Trust Committee for 6.5 years.

Dave would prefer not to become an elected official and simply enjoy the life he has created for his daughter and self, but the lifestyle that he moved to Lasqueti to enjoy and enhance is under serious threat. Seeing no one else standing up for these values, he is willing to make the personal sacrifice to ensure that his daughter will be able to live out the life of her choosing.
