REQUEST FOR DECISION

To: Regional Planning Committee **For the Meeting of:** January 20, 2025

From: Planning Services **Date Prepared:** January 10, 2025

SUBJECT: Bylaw Compliance & Enforcement Policy Review – Draft Manual and Policy 5.5.1

RECOMMENDATION:

1. That Regional Planning Committee review and provide direction on changes to draft Bylaw Compliance and Enforcement Policy 5.5.1 and the draft Bylaw Compliance and Enforcement Best Practices Manual.

DIRECTOR COMMENTS: Trust Council most recently supported Regional Planning Committee's (RPC) request for a plain language version of the best practices policy document and approved inclusion of a Local Trust Committee (LTC) Bylaw Compliance and Enforcement policy in the project charter. The plain language document is attached for Regional Planning Committee's further consideration. Staff have made extensive revisions to Policy 5.5.1 since the RPC last met, focusing on incorporating the recommendations of the Ombudspersons office, and are recommending that RPC also review these policy changes at the special meeting.

1. PURPOSE:

To bring back the draft Bylaw Compliance and Enforcement Best Practices Manual for further review (Attachment 1). In addition, since the last meeting staff have continued to work on draft revisions to Trust Council Bylaw Compliance and Enforcement Policy (Policy 5.5.1), specifically to incorporate the recommendations of the Office of the Ombudsperson (Attachments 2 and 3). Staff are recommending that Regional Planning Committee (RPC) also focus on reviewing the revisions to Policy 5.5.1 as it is the foundational policy and the source of much of the content of the Bylaw Compliance and Enforcement Best Practices manual.

2. BACKGROUND

In September 2023, Trust Council directed that "the recommendations from the Office of Ombudsperson Report titled: 'Voluntary Consultation on Bylaw Enforcement Policies and Practices within the Islands Trust', dated August 2023, be implemented, and that staff develop an associated work plan and project charter and refer to the Regional Planning Committee." The project charter was subsequently amended by Trust Council to also include development of "a Local Trust Committee Bylaw Compliance and Enforcement Policy Template".

Context

The legislated authority for Bylaw Officers to enforce LTC bylaws and to inspect property stems from Section 419 of the *Local Government Act*, via section 24(2) of the *Islands Trust Act*, which permits an LTC, by bylaw, to enforce its bylaws and to authorize staff to enter, at all reasonable times, on any property, to inspect and determine whether regulations are being met. All Local Trust Committees have adopted *Infraction Investigations Bylaws* to authorize enforcement of bylaws and authorize Bylaw Officers to inspect properties at reasonable times. Many LTC Land Use Bylaws also authorize site inspections using the same or similar language.

Trust Council has adopted Policy 5.5.1 (Bylaw Compliance and Enforcement) to provide direction to staff on bylaw enforcement processes, procedures, and communications. Many Local Trust Committees have also adopted specific policies by means of standing resolutions to provide specifics of how LTC bylaws are to be enforced, prioritized, and reviewed within respective local trust areas.

Regional Planning Committee Resolutions

At the September 2024 meeting, RPC received a report from staff providing recommendations on next steps for bylaw enforcement policies and practices review. RPC adopted the following resolutions:

RPC 2024-013

It was MOVED and SECONDED,
that Regional Planning Committee request staff to amend the Bylaw Compliance and Enforcement Best Practices Manual to create a plain language version. **CARRIED**

RPC 2024-014

It was MOVED and SECONDED,
that Regional Planning Committee request staff to work through the self-assessment checklist of the Ombudsperson Complaints Guide to determine if recommended components are included in the draft Policy 7.1.2, and to identify gaps and opportunities for future work for the Bylaw Enforcement and Compliance Review Project. **CARRIED**

RPC 2024-015

It was MOVED and SECONDED,
that Regional Planning Committee recommend the following changes:
a) Amend the notification period to two weeks
b) Policy 5.5.1: That the Manager of Compliance and Enforcement has the discretion to open files and launch an investigation based on the available resources.

CARRIED

At the November 8th meeting, RPC reviewed the Bylaw Compliance & Enforcement Best Practices & Procedures Manual, with the only resolution being:

RPC 2024-027

It was **MOVED** and **SECONDED**,
that Regional Planning Committee request staff to schedule a special business meeting in January for the purpose of discussing the Bylaw Enforcement Best Practices Manual and policies.

Best Practices Manual

The draft Best Practices Manual is attached (Attachment 1). As no specific direction was provided at the last RPC meeting, no substantial changes have been made to this version. The version discussed at the last meeting included:

1. Acronyms removed
2. Staff-oriented instructions removed
3. Revised for plain language
4. Addition of a section for Appeal of Bylaw Compliance and Enforcement Officers Decisions:
 - a. Appeal of Bylaw Enforcement Officer Decisions - For discretionary decisions of a BEO, appeals may be considered by the Director of Planning Services. In considering appeals of interpretation of regulations, the Director may convene a review panel consisting of the Director and Regional Planning Managers. Such requests must be made in writing, outlining reasons for the appeal such as error of fact, omissions, or new evidence.
 - b. Review of conduct of Bylaw Enforcement Officers – complaints regarding the conduct or behaviour of a BEO shall be reviewed by the Director, Planning Services. Such requests must be made in writing, outlining reasons for the review request. If the complainant is not satisfied with the Director's response, a formal administrative fairness complaint may be submitted.

As the Manual is intended as a public document that provides a plain language summary of bylaw enforcement policies and procedures, significant portions of the Manual are derived from and summarize policies and procedures established in Trust Council Bylaw Compliance and Enforcement Policy 5.5.1. Consequently, staff are recommending that substantive changes to Policy 5.5.1 be considered by RPC prior to finalizing the Manual.

Trust Council Bylaw Compliance and Enforcement Policy

Since the last meeting, staff have been undertaking further work on incorporating the recommendations of the Office of the Ombudspersons report into Trust Council Policy 5.5.1. The recommendations of the Office of the Ombudspersons report are tracked in the attached table (Attachment 4), including where these recommendations have been incorporated into Policy 5.5.1. Two versions of the revised policy are also attached, one clean version and a blacklined version comparing the current and revised policies (Attachments 2 and 3 respectively). Substantive revisions to Policy 5.5.1 include:

- Incorporation of 'Guiding Principles' into the preamble that reflect the principles of administrative fairness,
- Adding a section in the preamble to clarify of roles and responsibilities,
- Additional and refined definitions,
- Expanding upon procedures for commencing investigations, progressive enforcement, notice and procedures for site inspections, and how investigations are closed,
- Refinement of how staff exercise discretion,
- Inclusion of policies for the Review of Bylaw Compliance and Enforcement Officer Conduct,
- Reference to LTC enforcement policies, and
- Handling of frivolous, vexatious or repetitive complaints.

Administrative Fairness Complaints

In September, RPC requested staff to work through the self-assessment checklist of the Ombudsperson Complaints Guide and to identify gaps and opportunities for future work for the Bylaw Enforcement and Compliance Review Project. This work had not been started due to lack of staff resources at the time. Since then, staff have reviewed the Office of the Ombudsperson documents and have drafted procedures for review of Bylaw Compliance and Enforcement Office conduct. These have been included in Policy 5.5.1 as a new section 9. Staff consider it to be optimal to include these procedures into Policy

5.5.1 rather than re-writing Policy 7.1.2 (Handling of Administrative Fairness Complaints). As drafted, a person not satisfied with these review procedures may still submit an administrative fairness complaint under Policy 7.1.2 (or pursue recourse through the Office of the Ombudsperson).

3. NEXT STEPS

Staff are requesting the RPC to provide direction on changes to the draft plain language best practices manual and to draft policy 5.5.1.

At a subsequent meeting, staff will bring back the LTC Enforcement Policy template for RPC review and direction.

Staff will submit documents to the Ombudspersons Office for comment upon endorsement from the RPC.

Following endorsement by Trust Council, staff will implement changes by reviewing and updating letter templates, posting the Manual, and implementing training for officers.

Bylaw Enforcement Pathway: Steps to Compliance

Definitions

Adjudicator means an independent party whom the Province of British Columbia appoints to decide if a Bylaw Violation Notice will be upheld or cancelled.

Bylaw Notice means a ticket, with penalty, issued under the *Local Government Bylaw Notice Enforcement Act*.

Complaints a report of an alleged contravention made by any person.

Complainant a person who has made an official complaint.

Disputant means a respondent who has been given a Bylaw Violation Notice, and disputed it.

Local government refers to municipalities and regional districts which provide services to local communities. In this document, the local government referred to is Islands Trust.

Ombudsperson Office is an independent, impartial office of the provincial legislature that investigates complaints about unfair administrative actions by public authorities. It is meant to uphold transparency and accountability within public institutions by offering a free, accessible service for individuals who feel they have been treated unjustly by public agencies. The office does not have the power to enforce decisions but can recommend corrective actions.

Respondent means those responding to allegations of bylaw contraventions.

Screening Officer is an Islands Trust staff member appointed to review a disputed Bylaw Violation Notice.

Vexatious Complaints are frivolous, repeat or false complaints, or ones made in bad faith, that are meant to harass, annoy, irritate, or are for retaliatory purposes.

Roles and Responsibilities

Effective bylaw enforcement within Islands Trust requires ongoing communication and cooperation between trustees and staff. While trustees provide the legislative framework and policy direction, staff members carry out these policies through direct enforcement and support roles.

Trustees

- **Community Representation:** Trustees represent the interests and concerns of their constituents in matters related to bylaws and their enforcement, acting as a liaison between the community and enforcement officers.
- **Policy Development and Approval:** Trustees of Islands Trust are primarily involved in governance aspects, including setting policies that guide bylaw enforcement. They approve bylaws that regulate land use and community planning within the Islands Trust Area.
- **Strategic Oversight:** Trustees oversee the general strategic direction of Islands Trust, ensuring that bylaw enforcement aligns with the broader goals of conservation and sustainable community development.

Staff

- **Bylaw Compliance and Enforcement Officers:** These are specialized staff responsible for the practical aspects of enforcing the bylaws approved by trustees. Their duties include investigating complaints, gathering evidence, and ensuring compliance through education and regulation.
- **Planning Staff** are not directly involved in enforcement, but play a critical role in interpreting the bylaws and providing recommendations to both the public and enforcement officers. They ensure that the enforcement practices align with the planning objectives set by trustees.
- **Administrative Support:** This includes staff members who assist in the administration of bylaw enforcement, such as processing complaints, maintaining records, and supporting communication between the public, trustees, and enforcement officers.

Are you concerned about something on your property and want to get more information? Your Trustee can be a first point of contact in this conversation, without starting enforcement.

What is the purpose of the Islands Trust Bylaw Compliance & Enforcement program?

The Islands Trust works to preserve and protect the special environment and qualities of the Trust Area for the benefit of its residents and the province. The Bylaw Compliance and Enforcement program exists to support this goal and ensure public safety. This guide helps residents understand how the Islands Trust ensures people follow local bylaws. The goal is to encourage voluntary compliance with bylaws through education, mediation, and enforcement when necessary.

The Bylaw Compliance & Enforcement team looks into potential violations of land use rules set by local trust committees. The regulations are found in local trust committees' Land Use Bylaws; in Development Permit Areas within Official Community Plans; and in the Salt Spring Island Soil Deposit and Removal Bylaw. Islands Trust has the legal authority to enforce these rules under laws like the *Islands Trust Act* and the *Local Government Act of BC*.

The Islands Trust has a policy, [Policy 5.5.1 Bylaw Compliance & Enforcement](#), that guides how bylaw investigations are handled. It explains how complaints are processed, prioritized, and resolved, aiming to do so fairly and effectively. Local trust committees adopt bylaws authorizing enforcement and may adopt bylaw enforcement policies specific to their communities.

The Manager of Bylaw Compliance and Enforcement follows best practices based on principles of fairness, as outlined in the report: [BC Ombudsperson's report "Bylaw Enforcement: Best Practices Guide for Local Governments", March, 2016](#).

What initiates a Bylaw Compliance & Enforcement case file?

Like all local governments in British Columbia, Islands Trust uses a complaint-based Bylaw Compliance and Enforcement process. This means that almost all case files result from complaints made by individuals in the community. Anyone can submit a complaint – you don't have to live in the area or be a resident.

As listed in [Trust Council Policy 5.5.1 Section 5.1](#), this system gives priority to those bylaw infractions of greatest concern to island communities:

1. When directed by a local trust committee
2. Health and safety issues
3. Environmental impacts that could cause irreversible harm if not addressed quickly
4. Contraventions of land use bylaws and other bylaws

Once a complaint has been made, Islands Trust cannot decline to open a case file or decline to conduct an investigation because a complainant has changed their mind. Complainants are not victims of the offence and cannot “withdraw” their complaint.

In some cases, a Bylaw Compliance and Enforcement Officer can start an investigation even without a complaint. This happens when:

- Violations may cause health or safety risks
- Violations occur near water bodies
- Violations happen in development permit areas
- Violations are found during the building permit process
- Another agency refers a case involving land use issues
- Unlawful uses are advertised
- A local trust committee requests an investigation

How can complaints be sent to the Islands Trust?

Anyone who wants to make a complaint can:

- Fill out the Bylaw Compliance & Enforcement Complaint form on the Islands Trust website: <https://islandstrust.bc.ca/mapping-resources/report-a-concern/>
- Send an email to bylawenforcement@islandstrust.bc.ca
- Mail or drop off a letter to any Islands Trust office
- Complete a complaint form at any Islands Trust office

Complaints must be in writing, but staff can help by writing down the information for anyone who needs assistance.

Confidentiality

Anyone making a complaint must provide their or her name to the Islands Trust. Anonymous complaints are not accepted. The Islands Trust will try to keep the complainant's information confidential, but confidentiality cannot be guaranteed during legal proceedings or if a Freedom of Information request is made.

Islands Trust also receives referrals from other agencies (like regional districts) when they get a complaint that falls under Islands Trust's responsibility.

What is not a complaint?

Sometimes, people reach out to Islands Trust with questions about the Land Use Bylaw or Official Community Plan, not to report illegal activity. They may be planning something on their property and want to know if it is allowed. In these cases, a case file is not opened.

If a complaint or person is labeled “vexatious”, Islands Trust will send a written notice explaining any limits on communication, why those limits are in place, and when they might be reconsidered. These limits don’t stop necessary contact with staff on other unrelated matters.

Questions regarding bylaw infractions can be sent to bylawenforcement@islandstrust.bc.ca

When are Bylaw Compliance and Enforcement case files closed?

Case files are closed if:

- If no contravention exists
- On direction of a local trust committee
- As directed by Trust Council or local trust committee policies
- If the Director of Planning Services concurs with the Bylaw Compliance and Enforcement Manager that the contravention is minor and does not suit the public interest to enforce
- If compliance has been achieved

How is compliance achieved?

Ideally, bylaw compliance is voluntary, and primarily sought through a combination of education, mediation, and enforcement techniques. If voluntary compliance does not occur, the Bylaw Compliance and Enforcement Officer may proceed with a bylaw compliance and enforcement process.

Bylaw Compliance and Enforcement Process

The compliance and enforcement process at Islands Trust has several steps. Staff work with people involved (Respondents) and encourage them to follow the rules before deciding if there is a bylaw violation. The process starts with discussions and education about the bylaws. If necessary, it moves to a verbal warning, then a written warning, and penalties are only applied if the person still does not comply.

All written complaints sent to the Bylaw Compliance & Enforcement office are acknowledged and recorded, whether they lead to an investigation or not.

First, staff review the complaint to see if it falls under the local trust area's bylaws. If no violation is found, the complainant will be asked to provide more information, or informed that no violation exists.

Some complaints are more urgent than others are, so not all will receive the same level of attention. Complaints are prioritized based on the following:

1. Direction from a Local Trust Committee
2. Health and safety concerns
3. Environmental damage that could cause lasting harm
4. Violations of land use and other bylaws

If a complaint falls outside of Islands Trust's authority, it may be referred to another agency. The goal is to handle referrals quickly, with a "no wrong door" approach, meaning everyone is here to help, no matter which agency is involved.

If there is a possible violation, a new case file is opened.

A New File Has Been Opened

After a new file is opened, both the Complainant and the person involved (Respondent) will be notified in writing. The Respondent will receive a Notice Letter with the contact details of the Bylaw Compliance and Enforcement Officer (the Officer) and will be asked to get in touch. The Officer will also follow up with the Complainant to confirm details and ask more questions.

The Officer will then investigate the extent of the apparent or potential violation and what may be required to achieve compliance with the bylaw. These are the steps the Officer takes when investigating:

1. The Officer will review all relevant compliance and enforcement policies that have been adopted by the local trust committees or Trust Council.

2. Typically, the Officer will conduct a site inspection of the property to meet with the Respondent, and gain an awareness and visual understanding of the property and the neighbourhood.
3. The Officer will take photos of the property and any possible violations, and gather details about what has been built or what is happening on the property that might have led to a complaint by asking questions and investigating. Bylaw Officers have the legal right to inspect, and local trust committees set policies on how much notice must be given to the Respondent before an inspection. The Officer is there to gather information only, not to make a decision, and Respondents will receive a written response regarding the case.
4. Based on evidence collected and a review of the relevant bylaws, the Bylaw Compliance and Enforcement Officer will determine if there is, or has been, a contravention. If there is no contravention to the local trust committee bylaws then the Respondent and the Complainant will be notified and the case file will be closed. If a contravention exists, the Respondent will be asked to cease the activity, land use, or construction immediately.
5. If an administrative application such as a land use variance application has been submitted by the Respondent and there is a reasonable likelihood of success, the Bylaw Compliance and Enforcement Officer will refrain from enforcement during the application process.
6. The Officer may issue a Bylaw Violation Warning Notice or a Bylaw Violation Notice in local trust areas where a Bylaw Enforcement Notification bylaw has been adopted by the local trust committee. This Notice clearly explains what the violation is, and the timeline for compliance. The Officer is available to provide more information to the Respondent so they can achieve compliance without penalties.
7. Voluntary compliance is always the goal. The Officer will attempt to support the Respondent to achieve voluntary compliance with educational resources, and negotiations. Compliance must be achieved within 90 days if possible.

The Officer may consult with the Manager of Bylaw Compliance and Enforcement, Islands Trust planners, and the Director of Planning Services or seek legal advice when necessary.

Bylaw Compliance and Enforcement Officers are committed to a professional and respectful approach. Here is what they do:

- Interact with the public in a respectful and non-confrontational way
- Work within their authority; while they cannot issue stop work orders or tell property owners what they can do, they can request a pause on work while they review the regulations and investigate.
- Take time to carefully review all evidence before making a determination. They do not make on-the-spot decisions to ensure fairness and avoid any perception of bias.

Communications with Complainants

When a Complainant completes an [online complaint form](#), they receive an automatic response, which thanks them for their complaint and advises them that they will be contacted shortly with an update.

Once the complaint has been received and reviewed by the Manager, Complainants are advised if a new bylaw file is opened. If a file already exists for the property and contravention, they will be advised that their information has been added to the file. Contact information for the investigating Bylaw Compliance and Enforcement Officer is shared.

If the Complainant has provided an email address, they will be notified of a new file being opened by email. If they have only provided a mailing address, they will be notified by mail.

Complainants can request information about an open bylaw enforcement file at any time. They will be updated by the Bylaw Compliance and Enforcement Officer if:

- a. A file is put on hold, along with the reason for this action
- b. A Local Trust Committee makes a decision regarding the file
- c. A file has moved to litigation at which time the identity of the complainant may become public information
- d. A file is closed

Communications with Respondents

When a file is opened, a **notice letter** will be sent to the Respondent.

Once a Bylaw Compliance and Enforcement Officer has confirmed that a contravention of a bylaw has occurred or is occurring, the Officer will send a **determination letter** to the Respondent. The letter must be clear and easy to read and must include:

- A **reason** the letter is being sent that outline the problem, using a statement of what has been observed
- An **explanation** of how the bylaw has been contravened by quoting the bylaw and the sections that are being violated, and the definitions of words from the bylaw
- Outline of the **solutions** available to comply with the bylaw
- Explanation of the possible **consequences** of not complying
- A reasonable **deadline** that has been negotiated with the Respondent for taking next step or fully complying

Communications with Trustees

A local trust committee or any individual local trustee will not be involved in any aspect of the investigation of a complaint or the preparation of any Bylaw Compliance and Enforcement report. Upon opening a case file, local trustees are advised of the general nature of the complaint, the name of the street (not the complete address), and the case file number. The local trust committee will only be kept informed about the status of an investigation if they request updates. Local trust committees may request Bylaw Compliance and Enforcement staff to report on specific issues. The reports will be presented to the local trust committee at a subsequent meeting.

While local trustees can't be involved in any investigations, they are able to file a bylaw violation complaint just as any member of the public.

Communications with Potential Property Buyers and Real Estate Agents

Potential property buyers, Real Estate Agents, or the public can contact the Islands Trust Bylaw Compliance & Enforcement office to ask if there are any Bylaw Compliance & Enforcement issues associated with a specific property. Staff can share limited information regarding whether an open bylaw file exists for the subject property.

Islands Trust does not provide information about previous complaints or investigations. That information would require a [Freedom of Information request, which can be made here](#).

When Compliance is not achieved

If bylaw compliance isn't achieved, the Bylaw Compliance and Enforcement Officer will take the appropriate next steps which could include issuing a Bylaw Violation Notice, sending a Notice of Debt letter, sending a demand letter via lawyers, or recommending legal action to the local trust committee.

If legal action is necessary, the Manager of Bylaw Compliance and Enforcement will present a staff report to the local trust committee and Executive Committee, who then decide whether or not legal proceedings should occur.

Appealing Decisions Made by a Bylaw Compliance and Enforcement Officer

For discretionary decisions of a Bylaw Compliance and Enforcement Officer, appeals may be considered by the Director, Planning Services. In considering appeals of interpretation of regulations, the Director may convene a review panel consisting of the Director and Regional Planning Managers. Such requests must be made in writing, outlining reasons for the appeal such as error of fact, omissions, or new evidence.

Reviewing the Conduct of Bylaw Compliance and Enforcement Officers

Respondents can request a review of the conduct of a Bylaw Compliance and Enforcement Officer by submitting a request in writing to the Director of Planning Services. If the Respondent is not satisfied with the Director's response, a formal [administrative fairness complaint](#) may be submitted.

WHAT IS BIAS?

Bias in decision making is generally understood as a pre-existing leaning or predisposition toward one side or another or a particular result.

Bias can creep into complaint resolution and investigations when decision makers rely on their personal belief systems, prior knowledge of a person, or personal relationship with a party or service user, rather than focusing exclusively on the information and evidence related to the complaint. It is important that staff who are handling complaints be aware of any personal biases that may be affecting how they respond to concerns from service users.

From the Ombudsperson Complaints Handling Guide

Public access to records

As Bylaw Compliance & Enforcement files contain confidential information and pertain to law enforcement, a member of the public is required to submit a Freedom of Information and Protection of Privacy [request](#) in order to obtain any information from a file.

Freedom of Information requests are an important mechanism of transparency that ensures public access to Islands Trust records. Islands Trust staff will assist members of the public to refine their request and procure relevant documents to their request.

Bylaw Enforcement Notices and Dispute Adjudication System

Overview of the Local Government Bylaw Notice Enforcement Act

In October 2003, the Province of British Columbia enacted legislation providing an alternative approach for processing and resolving minor bylaw contraventions: the [Local Government Bylaw Notice Enforcement Act](#). The Act also provides direction, with the [Bylaw Notice Enforcement Regulation](#). Under the Act, local governments may establish a Bylaw Enforcement Notice and

Dispute Adjudication system, which replaces the provincial court as the venue for resolving disputes of bylaw contraventions.

This legislation aims to create a straightforward, affordable system to enforce bylaw violations. It features a simple ticket process for enforcement and a way for an independent adjudicator to handle ticket disputes.

Implementation Bylaw

Section 3 of the *Act* allows local governments to issue notices with penalties for bylaw violations. To do this, they must first pass a bylaw that establishes a Bylaw Enforcement Notice and Dispute Adjudication (BEN) system. This bylaw will:

- Designate the bylaw contraventions that may be dealt with by a bylaw notice
- Establish the amount of the administrative penalty for each contravention
- Set the period within which a recipient may pay the administrative penalty or dispute a bylaw notice/request a review
- Establish a bylaw notice dispute adjudication system to resolve bylaw notice disputes

EXAMPLE:

The Galiano Island Local Trust Committee Bylaw Enforcement Notification Bylaw No. 228, 2011.

This bylaw lists the administrative penalties that apply to bylaw contraventions in the Galiano Local Trust Area, as well as policies for disputing Bylaw Violation Notices, Screening Officers, and other features of the adjudication process described below in detail.

Implementation

When establishing a Bylaw Enforcement Notification Bylaw, local governments, including Islands Trust, should consider the following:

- Appointment of a Screening Officer: Define their powers, duties, and functions.
- Compliance Agreements: Allow the Screening Officer to enter into agreements and reduce penalties if warranted.
- Adjudication Process: Set a fee for filing adjudication requests and establish grounds for canceling penalty notices.
- Response Periods: Determine timelines for responses to Screening Officer decisions.

Record Management

Islands Trust administers and preserves all records related to the Bylaw Enforcement Notification system in compliance with provincial legislation. These records include:

- Bylaw Violation Notices and Warning Notices.
- Records of paid administrative penalties.
- Adjudicator decisions and documents related to collection efforts for unpaid penalties

Islands Trust Areas that have adopted a Bylaw Enforcement Notification Bylaw:

Ballenas-Winchelsea Island Local Trust Area — Bylaw 34 (adopted 2019)

Denman Island Local Trust Area — Bylaw 232 (adopted 2019)

Bylaw Violation Notices

Warning Notices

Warning notices serve as an informal tool following an investigation by a Bylaw Compliance and Enforcement Officer. They should:

- Be issued with a compliance deadline of no less than 45 days.
- Precede formal Bylaw Violation Notices, accompanied by a determination letter with a 90-day compliance deadline.

Bylaw Violation Notices

A violation notice is a formal enforcement tool. This type of notice assigns an administrative penalty, the amount of the penalty is listed in the Bylaw Enforcement Notification bylaw of the Local Trust Area.

In local trust areas where Bylaw Enforcement Notification bylaw have been adopted, a Bylaw Violation Notice may be issued after any of the following:

- A verbal warning
- A demand letter
- A warning notice
- Exceptional circumstances as outlined by the Bylaw Compliance and Enforcement Manager

Notices must include the respondent's name, contravention details, penalty amounts, and dispute options.

The penalty notice may be delivered by personal delivery or by mailing it to the person responsible for the contravention. If mailed, the local government may presume that the person received it on the seventh day after mailing. In the event that the intended recipient claims not to have received the notice, the Bylaw Compliance and Enforcement Officer must verify the address and reissue a copy of the Bylaw Violation Notice.

The penalty notice informs the respondent of the bylaw contravention, the penalty for the contravention; and how to pay the penalty or dispute the notice.

A Bylaw Violation Notice must contain the:

- Name of the Respondent
- Specific bylaw contravention alleged to have occurred and the location
- Amount of the penalty
- Amount of a discount for early payment
- Amount of a surcharge for late payment
- Consequences of failing to respond to the notice
- Payment options
- Dispute options

Bylaw Violation Notices must be written within six months of the occurrence of a contravention.

Although the *Local Government Bylaw Notice Enforcement Act* requires that the above information is included on a penalty notice, local governments may organize or supplement this information as they see fit. The penalty notice may also be electronically generated or hand written on a pre-printed form.

The following is considered when issuing a Bylaw Violation Notice:

- Will the notice encourage the person to follow the bylaw? The goal is to get compliance. If the officer believes issuing the notice will help, it may be the right step.
- The notice cannot be issued more than six months after the violation is said to have happened.
- The officer should be able to explain why the notice was considered an effective way to enforce the rules in each case.

Once the Bylaw Violation Notice is received or is presumed to have been received, it becomes legally effective. There are four possible scenarios:

1. The Respondent does not respond: if the Respondent doesn't respond within 28 days, a late fee is added. The total penalty, including the late fee, is due immediately and can be collected by Islands Trust.
2. The Respondent claims that the Bylaw Violation Notice was not received: if, within 21 days, the Respondent claims they did not receive the Bylaw Violation Notice, a copy of the original notice will be reissued and sent to them.
3. The Respondent pays the Bylaw Violation Notice: if the penalty is paid within 14 days of receiving the notice, the notice amount is reduced by 25%. After 14 days, the full penalty amount applies. If paid after 28 days, a 50% late fee is added. Payment can be made by cash, cheque, or money order to Islands Trust, with instructions provided on the Bylaw Violation Notice.
4. The Respondent disputes the Bylaw Violation Notice.

Dispute Process for Bylaw Violation Notices

The person named (Disputant) in the notice has 14 days to request a dispute. After 14 days, they can only dispute it if the Bylaw Compliance and Enforcement Manager grants an exception. The process starts when the Respondent asks to dispute the notice, and the Bylaw Compliance and Enforcement Manager will then arrange for adjudication. If the due date falls on a weekend or public holiday, it will be extended to the next business day.

The Dispute Adjudication system is used to resolve disputes about whether a bylaw violation occurred as stated in the notice or whether the terms of a compliance agreement were followed. A challenge to the validity of the local government bylaw, or a claim that enforcement of the bylaw infringed on the Charter Rights of the disputant, is not within the jurisdiction of the adjudicator. This must be initiated as a separate matter in the Supreme Court of British Columbia.

Parties involved in the process of disputing a notice include:

1. **The Disputant:** the individual disputing the notice.
2. **The Bylaw Compliance & Enforcement Officer:** the Islands Trust employee authorized to issue the notice.
3. **The Adjudicator:** the independent adjudicator with authority to determine if the notice is dismissed or upheld.
4. **The Screening Officer:** is an employee of Islands Trust designated as a Screening Officer under the relevant Local Trust Committee's Bylaw Enforcement Notification bylaw. Screening Officers provide a first opportunity to respond to a Bylaw Violation Notice dispute in an informal setting. A Screening Officer may conduct the review based on discussion or correspondence with the disputant, and can explain the process and potential consequences of formal dispute adjudication. Each Local Trust Committee that has adopted a Bylaw Enforcement Notification bylaw has also developed a Screening Officer policy in order to provide guidelines during the Bylaw Violation Notice screening process. Screening Officers are required to provide recipients with a fair opportunity to be heard.

More information about detailed information regarding the local government dispute adjudication system can be found in the [Local Government Toolkit for Bylaw Dispute Adjudication](#). The [Local Government Bylaw Notice Enforcement Act](#) and the [Bylaw Notice Enforcement Regulation](#) govern this process.

1 Step One in the Dispute Procedure

A recipient of a Bylaw Violation Notice notifies Islands Trust in writing that they are disputing the Bylaw Violation Notice by:

- Completing and submitting the Adjudication Request Form that is on the bottom of the Bylaw Violation Notice. Forms can be delivered or mailed to any of the Islands Trust offices on Salt Spring Island, Gabriola Island or Victoria.
- Online at [disputing a bylaw violation notice](#).
- A letter or email indicating that they wish to dispute the Bylaw Violation Notice can be sent to bylawenforcement@islandstrust.bc.ca, or mailed to any Islands Trust office:
 - Victoria Office: 200 – 1627 Fort Street, Victoria, BC, V8R 1H8
 - Salt Spring Office: 121 McPhillips Ave, Salt Spring Island, BC V8K 2T6
 - Northern Office: 700 North Road, Gabriola Island, BC, V0R 1X3

2 Step Two in the Dispute Procedure

The Screening Officer will review the Bylaw Violation Notice, including possible discussions with the issuing Bylaw Compliance and Enforcement Officer. The Screening Officer will review the dispute request and may:

- **Cancel** the notice; or
- **Confirm** the notice and either:
 - › refer it to an **adjudicator** unless the request for dispute adjudication is withdrawn; or
 - › enter into a [compliance agreement](#) ↓ with the person.

3 Step Three in the Dispute Procedure

The Bylaw Violation Notice has now been cancelled or confirmed by the Screening Officer. If the Bylaw Violation Notice is confirmed, Screening Officer will discuss their decision with the disputant by phone, in person, or in writing, and may offer a Compliance Agreement with the recipient to subsequently reduce or cancel the penalty when the terms of the agreement are fulfilled.

4 Step Four in the Dispute Procedure

If the Bylaw Violation Notice has been confirmed, and the disputant wants a formal dispute adjudication, the Screening Officer will request an Issuing Officer Report and create a Screening Officer Report. The dispute process will now move to a Formal Dispute Adjudication, where evidence is presented and the adjudicator decides if an offence did or did not occur.

A Compliance Agreement includes:

- Acknowledgment of the bylaw violation and acceptance of responsibility
- Remedies or future actions to be taken within a certain timeframe
- A way to verify compliance with the agreement
- Possible penalty reduction or waiver if the terms of the agreement are met
- The duration of the compliance agreement

If a recipient of a Bylaw Violation Notice fulfills all terms of a compliance agreement, their penalty is considered fully paid.

If the Screening Officer believes that the terms have not been fulfilled, they can cancel the compliance agreement and must notify the recipient of that fact by regular mail. The recipient then has 14 days of receiving that notice to either pay the penalty or ask an adjudicator to determine compliance. If neither action is taken within that time, the full penalty plus a late fee is immediately due to Islands Trust.

Dispute Adjudication

In accordance with local the *Local Government Act*, Islands Trust runs its own Dispute Adjudication Registry by working with the Ministry of Attorney General, which provides adjudicators experienced in local government land use bylaws. Once a Disputant confirms they want a formal hearing, the Manager will coordinate with all parties to set a date. Islands Trust will submit a package to support its case, which usually includes the Bylaw Violation Notice, the request to dispute, and reports from the Issuing and Screening Officers. This package, along with any evidence from the disputant, must be sent to both the disputant and the adjudicator at least one week before the hearing.

Adjudicators

The Adjudicator must proceed on the basis that the bylaw is legally valid. The Adjudicator has no discretion to reduce or waive the penalty amount. The Adjudicator also has no jurisdiction to deal with challenges to the bylaw or claims of infringements of rights under the Charter of Rights and Freedoms.

An Adjudicator may not be an employee or an elected official of a municipality and may not hear a matter if they are reasonably thought to have a bias or an interest in relation to the outcome of that matter.

Adjudication Procedures

Section 18 of the *Local Government Bylaw Notice Enforcement Act* provides direction in regards to Adjudication Procedures.

The Adjudicator must provide the parties to the dispute with an opportunity to be heard:

- In person or by an agent
- In writing (including by fax or email)
- By video conference, audio conference, telephone or other electronic means

Section 19 of the *Local Government Bylaw Notice Enforcement Act* states that “Hearings must be open to the public”. Islands Trust provides a space for members of the public to watch adjudication proceedings at the Islands Trust Southern Office, 200–1627 Fort St, Victoria. Members of the public can request this information by contacting Islands Trust: information@islandstrust.bc.ca.

Evidence

The technical and legal rules of evidence do not apply and an Adjudicator may accept any evidence they consider credible, trustworthy and relevant to the dispute, including the evidence of any person. The Adjudicator may accept evidence in any manner, such as orally, in writing or electronically.

Determination

The Adjudicator will determine if:

1. The contravention identified in the Bylaw Violation Notice occurred as alleged, the notice is confirmed, and the penalty set out in the notice is immediately due and payable.
2. The contravention identified in the Bylaw Violation Notice did not occur as alleged, the notice is cancelled.

If the Disputant fails to appear, the Adjudicator must order that the Bylaw Violation Notice be upheld. The penalty is immediately due and payable to the local trust committee. The full amount of the penalty is due, not the reduced amount that would be available to those paying within 14 days of the original bylaw violation notice.

Notice of Adjudication Outcomes

An Adjudicator resolving a dispute about a Bylaw Violation Notice or a compliance agreement must send their written decision to Islands Trust:

- Within one business day for in-person or telephone hearings.
- Within five business days after receiving the dispute materials for written hearings.

The adjudicator’s decision must be in writing and should include:

- The name of the Disputant
- The facts relating to the penalty notice
- A summary of the Screening Officer’s decision
- The issues raised by the parties

- A summary of the evidence provided by each party in support of each issue
- The Adjudicator's assessment of each issue
- The Adjudicator's final decision

The decision is sent from the Adjudicator to Islands Trust. The disputant will receive the decision of the Adjudicator when Islands Trust receives it.

Cost

Islands Trust is responsible for the administrative work and costs of the dispute adjudication system. Islands Trust charges an administrative fee of \$25, payable by a disputant who is unsuccessful in a dispute adjudication. The fee is added to the debt only when and if the disputant is unsuccessful. If the disputant is successful, no fee is charged.

Judicial Review

The determination of an adjudicator is final and conclusive and is not open to review in a court except on a question of law or lack of jurisdiction. If a failed disputant or the Islands Trust believes that the adjudicator exceeded their authority, or made an error at law, disputant person or Islands Trust may seek relief in the Supreme Court of British Columbia under the *Judicial Review Procedure Act*. An application for judicial review must be made within 30 days of the adjudication decision.

BYLAW COMPLIANCE AND ENFORCEMENT

Purpose

The purpose of the bylaw compliance and enforcement program is to support the object of the Islands Trust to preserve and protect the Trust Area and its unique amenities and environment for the benefit of residents of the Trust Area and of the province generally by ensuring compliance with local trust committee bylaws.

Guiding Principles

The following principles are intended to align with the mandate of the Islands Trust, adhere to the best practices outlined by the BC Office of the Ombudsperson, and ensure procedural fairness in all enforcement actions:

1. **Fairness and Impartiality:** Apply bylaws consistently, ensuring decisions are unbiased and equitable for diverse island communities.
2. **Transparency and Communication:** Provide clear, accessible information about enforcement policies, processes, and outcomes to foster trust and understanding.
3. **Procedural Fairness:** Ensure timely notification of alleged infractions, offer opportunities to be heard, and guarantee unbiased decision-making.
4. **Proportionality and Discretion:** Tailor enforcement actions to the severity and context of the infraction, with a focus on voluntary compliance.
5. **Efficiency:** Prioritize significant violations that impact environmental sustainability or community safety, while streamlining processes for minor cases.
6. **Engagement and Inclusivity:** Collaborate with island communities to ensure enforcement practices reflect local values and consider marginalized populations.
7. **Accountability and Oversight:** Regularly review enforcement activities and maintain oversight to uphold public confidence.
8. **Respect for Privacy:** Safeguard the confidentiality of complainants and individuals involved in enforcement actions, in compliance with privacy laws.
9. **Focus on Education and Compliance:** Emphasize public education and voluntary compliance with bylaws.

Roles and Responsibilities

Islands Trust Council provides overall policy direction, approves budgets, and reviews performance through regular reporting.

Executive Committee provides oversight of enforcement across all local trust areas, and approving funding for litigation when requested by local trust committees.

Local trust committees (LTC) are authorized to enforce LTC bylaws, ensuring bylaws reflect community values, adopt specific LTC enforcement policies, and provide direction to staff on significant cases and potential litigation.

Members of the public and complainants are encouraged to submit accurate complaints in good faith, engage respectfully with staff, and uphold the confidentiality of enforcement processes.

Bylaw Compliance and Enforcement Officers (Officers) are responsible for investigating complaints, communicating clearly with respondents, determining if there is a contravention, and applying progressive enforcement actions proportionally, with an emphasis on education and compliance.

The Manager of Bylaw Compliance and Enforcement (Manager) is responsible for the overall administration of the bylaw enforcement program, including supervising bylaw compliance and enforcement officers, ensuring adherence to policies and procedures, and providing expertise on complex or sensitive cases. The Manager coordinates with other departments, ensures alignment with legal and regulatory requirements, and reports on enforcement activities to senior management and elected officials.

Senior Management ensures staff have the resources and training needed for effective enforcement, facilitates communication among interested and affected parties, oversees adherence to policy, and reviews complaints regarding the conduct of bylaw enforcement officers.

Planners and Regional Planning Managers assist in the interpretation of bylaws and ensuring consistency with planning objectives. They support enforcement officers by providing information on the intent and application of bylaws, and contribute to resolving compliance issues by providing compliance options to respondents and local trust committees.

Legal Counsel supports local trust committees and staff by providing legal opinions on interpretation, advice on potential litigation, and representation in cases of litigation.

- 3.3 If the Manager determines that there is no potential violation, the complainant will be informed and given the opportunity to provide more information.
- 3.4 If the Manager determines that there is a potential violation, a file is opened, and the Respondent will receive a Notice Letter, providing a summary of the issue, contact details of the assigned officer, and encouraging the respondent to contact the officer. The complainant will be notified that a file has been opened.
- 3.5 The Officer will investigate the potential violation, including:
 - 3.5.1 Reviewing all relevant bylaws, policies, and procedures.
 - 3.5.2 Arranging a site inspection. Site inspections will be conducted in accordance with the policies in Section 4 below.

- 3.11 If either a Respondent or complainant is not satisfied with the review of a determination by the Manager, a written complaint may be submitted to the Director of Planning Services. The Director may make a determination singly or in consultation with the relevant Regional Planning Manager and planner.
- 3.12 Voluntary compliance may involve a Respondent requesting time to comply; or requesting that enforcement be paused, subject to local trust committee policies, while proceeding with an application that would have a reasonable likelihood of success in legalizing the contravention.
- 3.13 Where a local trust committee has adopted a Bylaw Enforcement Notification Bylaw, and voluntarily compliance is not forthcoming within a reasonable time, or there is an immediate threat to health or safety or the natural environment, or an LTC has adopted a relevant enforcement policy, an officer may issue a Bylaw Warning Notice or a Bylaw Violation Notice.
- 3.14 Where Bylaw Enforcement Notices have proven ineffective in achieving compliance, or where a local trust committee has not adopted a Bylaw Enforcement Notification Bylaw, or where a contravention is considered sufficiently egregious, an officer may recommend that a local trust committee undertake legal action to achieve compliance.
- 3.15 Complainants can request information about an open bylaw enforcement file at any time. The Complainant will be updated by the Bylaw Compliance and Enforcement Officer if:
 - 3.15.1 The file is put on hold, along with the reason for this action.
 - 3.15.2 The local trust committee has made a decision regarding the file.

- 3.15.3 The file has moved to litigation at which time the identity of the Complainant may become public information.
- 3.15.4 The file is closed.

4. SITE INSPECTIONS

- 4.1 **Entry with Notice:** When entry onto private property is required to investigate a bylaw complaint, officers will provide prior written notice to the property owner or occupier, except in cases where doing so would compromise the investigation. Notice will include the purpose of the visit, applicable authority under provincial legislation, bylaws and policies, and proposed timing.

Entry will occur only during reasonable hours, with efforts to minimize disruption and ensure respect for the property and its occupants. Investigations will focus exclusively on the specific alleged bylaw contraventions outlined in the complaint unless other observations pose an immediate risk to public health, safety, or the environment. Officers should answer reasonable questions related to the purpose of the visit and the bylaw complaint investigation process.

- 4.2 **Entry without Notice:** In exceptional circumstances, where prior notice is not feasible or where immediate entry is required to address urgent concerns about health, safety, or the environment, officers may enter property as authorized under the *Local Government Act*. Officers will document the justification for entry without notice, specifying the urgency and applicable legal authority, and will notify the property owner or occupier as soon as practicable following the visit.

- 4.3 **Legal Compliance and Fairness:** Property entries will comply with the *Charter of Rights and Freedoms*, applicable provincial legislation, and local trust committee bylaws and policies. To ensure fairness, investigations will be limited to the specific subject matter of the complaint except where the officer observes issues that pose a risk to health, safety or the environment.

- 4.4 **Documentation:** Bylaw enforcement officers will maintain records of all property entries, including notice provided (or reasons for its omission), observations made, and actions taken.

- 4.5 **Reasonableness and Accountability:** Property entry practices will aim to balance enforcement needs with respect for individual privacy and property rights. Officers will act reasonably and proportionately, prioritizing voluntary compliance and education wherever possible.

5. CLOSING INVESTIGATIONS

- 5.1 Bylaw investigation files will be closed in the following circumstances:
 - 5.1.1 It is determined that no contravention exists;
 - 5.1.2 Compliance has been achieved;
 - 5.1.3 On direction of a local trust committee; or
 - 5.1.4 If the Director of Planning Services concurs with the Manager that the contravention is of a minor nature, impacts are minimal, or it is not in the public interest to enforce.
 - 5.1.5 Complainants may request that the closing of a file be reviewed by

- another Bylaw Enforcement Officer or the Manager.
- 5.2 Respondents, complainants and the local trust committee will be notified in writing when a file has been closed and the reason for closing the file.
 - 5.3 Bylaw investigation files will not be reopened once closed. If a similar complaint is made a new investigation will be commenced.

6. DISCRETION AND PRIORITY OF INVESTIGATION

- 6.1 As bylaw enforcement resources are limited, investigations will be prioritized as follows:
 - 6.1.1 By specific direction of a local trust committee;
 - 6.1.2 Health and safety concerns;
 - 6.1.3 Adverse environmental impact that could result in irreversible damage if not prevented in a timely fashion; and
 - 6.1.4 Contraventions of land use bylaws and other bylaws.

7. VOLUNTARY COMPLIANCE AND MEDIATION

- 7.1 Efforts to gain compliance should be conducted using the principles and techniques employed in mediation.
- 7.2 Persons alleged to have committed contraventions and complainants may be invited by staff to participate in a process designed to:
 - 7.2.1 Provide full information and exchange of information;
 - 7.2.2 Confirm facts;

9. REVIEWING THE CONDUCT OF BYLAW COMPLIANCE AND ENFORCEMENT OFFICERS

- 9.1 A person concerned about the conduct of a Bylaw Compliance and Enforcement Officer, who is unable to resolve the concern with the officer or informally with the Manager, may submit a written complaint to the Manager.
- 9.2 If the person is not satisfied with the response of the Manager, or the complaint involves the Manager, a review may be requested by submitting a request in writing to the Director of Planning Services.
- 9.3 Complaints may be submitted by email or mail, setting out the issue or concern, providing any evidence, and any remedies requested. Complaints will be recorded, and confidentiality and privacy protected.

- 9.4 Written complaints will be acknowledged with 10 business days, and acknowledgements will include information about who will be reviewing the complaint, contact information, a summary of the review process, and an estimated timeline.
- 9.5 Complaints will receive a preliminary assessment, the reviewing staff person will contact the complainant to obtain any additional information, and seek early resolution where possible.
- 9.6 Assessment of complaints will be guided by principles of administrative fairness, and be conducted in a fair, timely and impartial manner.
- 9.7 Investigation of complaints should: define the issue or concern, gather evidence, maintain confidentiality, notify all affected persons, hear from all relevant persons, adhere to a timeline, and include an assessment of any risks. All steps in the investigation shall be documented, including all evidence gathered and considered.
- 9.8 The staff member conducting the investigation shall provide a written summary of the issues raised by the complainant, how the investigation was conducted, the evidence considered, analysis in the context of standards and policies, the conclusion, reasons for the conclusion, and any actions taken or proposed to be taken.
- 9.9 The complainant should be given an opportunity to comment on preliminary conclusions, and be given any information about appeal of the conclusions.
- 9.10 The written summary and conclusions shall be provided to the complainant, affected staff member(s), and shall be filed.
- 9.11 Resolution of complaints may include:
- 9.11.1 A more detailed explanation of the officer's actions;
 - 9.11.2 Reconsideration of a decision, cancellation of a penalty, or closing of a file;
 - 9.11.3 Recommended changes to policies and procedures;
 - 9.11.4 Acknowledgement of an error and an apology; and
 - 9.11.5 A conclusion that the officer's conduct was proper.
- 9.12 If the Respondent is not satisfied with the Director's response, a formal administrative fairness complaint may be submitted.
- 9.13 The Director may determine that a person who makes repeated, unfounded and vexatious complaints about the conduct of an officer or Manager be notified that no further submissions will be accepted from them on the subject of a specific investigation, and will be directed to other avenues, including but not limited to, the Office of the Ombudsperson.

10. BYLAW ENFORCEMENT NOTICES AND DISPUTE ADJUDICATION

- 10.1 Local trust committees wishing to establish a Bylaw Enforcement Notice and Dispute Adjudication system must adopt a Bylaw Enforcement Notification (BEN) Bylaw which:
- 10.1.1 Designates the bylaw contraventions that may be dealt with by a bylaw notice;
 - 10.1.2 Establishes the amount of the administrative penalty for each contravention;
 - 10.1.3 Sets the period within which a recipient may pay the administrative penalty or dispute a bylaw notice/request a review; and

10.1.4 Establishes a bylaw notice dispute adjudication system.

11. LEGAL ACTION

- 11.1 If unlawful activity does not cease or if compliance is not achieved, a Bylaw Compliance and Enforcement Officer may make recommendations to the local trust committee, including taking civil action or closing the investigation without compliance.
- 11.2 Immediate legal action may be recommended to local trust committees if impacts of unlawful activity pose serious risk to persons or the environment.
- 11.3 *Offence Act* prosecutions may be recommended to the local trust committees under the following conditions:
 - 11.3.1 Offence Act prosecutions are to be used only for serious land use permit contraventions;
 - 11.3.2 A long-form information may be sworn only after approval by a local trust committee;
 - 11.3.3 Executive Committee has approved legal funding for the prosecution; and
 - 11.3.4 The long-form information has been reviewed and prepared by legal counsel.

12. LOCAL TRUST COMMITTEE ENFORCEMENT POLICIES

- 12.1 Local trust committees may adopt discretionary enforcement policies or procedures applying within a Local Trust Area. LTC policies should be consistent with Trust Council Policy and the legislated authority of the LTC. In adopting an enforcement policy, an LTC should consider the following:
 - 12.1.1 Prioritizing or deferring enforcement based on scarce resources, the impacts of certain types of contraventions, and community priorities;
 - 12.1.2 Establishing procedures and timing for property inspections;
 - 12.1.3 Enforcement of types of contraventions without complaint;
 - 12.1.4 The length of time for Respondents to comply, timing for issuing of Bylaw Warning Notices, and timing for issuance of Bylaw Violation Notices;
 - 12.1.5 Discretion in closing files, including the nature and urgency of the complaint or alleged contravention, the circumstances of the respondent, and the impact of the contravention on the complainant and community;
 - 12.1.6 Regular reporting to the LTC on open files; and
 - 12.1.7 Communications between trustees and the Manager.

13. BYLAW NOTICE DEBT

- 13.1 Debts incurred as the result of default on bylaw notices are payable to Trust Council and they may be cancelled if the Director of Planning Services and the Manager of Bylaw Compliance and Enforcement concur that contraventions on the subject property no longer exist, and/or it is not in the interest of Islands Trust to pursue the debt.

14. CONFIDENTIALITY

- 14.1 Information in regards to a complainant is kept confidential. However, confidentiality cannot be guaranteed should litigation proceed or where a request for information is

received under the *Freedom of Information and Protection of Privacy Act*.

15. FRIVOLOUS, REPEAT, OR VEXATIOUS COMPLAINTS

- 15.1 Persons may be declared vexatious complainants if the Director of Planning Services and the Manager of Bylaw Compliance and Enforcement concur that the person has made complaints which meet the definition for a vexatious complaint. In such an instance, the complainant will be notified that no further submissions will be accepted from them on the subject of the complaints, however this does not prevent the complainant from making complaints on different matters.
- 15.2 The Manager may refuse to open a file for a complaint considered to be frivolous, repeat, or one made by a declared vexatious complainant.

16. LOCAL TRUST COMMITTEES, TRUST COUNCIL, AND TRUSTEES

3. **Procedural Fairness:** Ensure timely notification of alleged infractions, offer opportunities to be heard, and guarantee unbiased decision-making.
4. **Proportionality and Discretion:** Tailor enforcement actions to the severity and context of the infraction, with a focus on voluntary compliance.
5. **Efficiency:** Prioritize significant violations that impact environmental sustainability or community safety, while streamlining processes for minor cases.
6. **Engagement and Inclusivity:** Collaborate with island communities to ensure enforcement practices reflect local values and consider marginalized populations.
7. **Accountability and Oversight:** Regularly review enforcement activities and maintain oversight to uphold public confidence.
8. **Respect for Privacy:** Safeguard the confidentiality of complainants and individuals involved in enforcement actions, in compliance with privacy laws.
9. **Focus on Education and Compliance:** Emphasize public education and voluntary compliance with bylaws.

Roles and Responsibilities

Islands Trust Council provides overall policy direction, approves budgets, and reviews performance through regular reporting.

Executive Committee provides oversight of enforcement across all local trust areas, and approving funding for litigation when requested by local trust committees.

Local trust committees (LTC) are authorized to enforce LTC bylaws, ensuring bylaws reflect community values, adopt specific LTC enforcement policies, and provide direction to staff on significant cases and potential litigation.

Members of the public and complainants are encouraged to submit accurate complaints in good faith, engage respectfully with staff, and uphold the confidentiality of enforcement processes.

Bylaw Compliance and Enforcement Officers (Officers) are responsible for investigating complaints, communicating clearly with respondents, determining if there is a contravention, and applying progressive enforcement actions proportionally, with an emphasis on education and compliance.

The Manager of Bylaw Compliance and Enforcement (Manager) is responsible for the overall administration of the bylaw enforcement program, including supervising bylaw compliance and enforcement officers, ensuring adherence to policies and procedures, and providing expertise on complex or sensitive cases. The Manager coordinates with other departments, ensures alignment with legal and regulatory requirements, and reports on enforcement activities to senior management and elected officials.

Senior Management ensures staff have the resources and training needed for effective enforcement, facilitates communication among interested and affected parties, oversees adherence to policy, and reviews complaints regarding the conduct of bylaw enforcement officers.

Planners and Regional Planning Managers assist in the interpretation of bylaws and ensuring consistency with planning objectives. They support enforcement officers by providing information on the intent and application of bylaws, and contribute to resolving compliance issues by providing compliance options to respondents and local trust committees.

Legal Counsel supports local trust committees and staff by providing legal opinions on interpretation, advice on potential litigation, and representation in cases of litigation.

Equitable enforcement	Include a requirement that bylaw enforcement staff be equitable in their approach. This means that bylaw enforcement staff should consider each person's unique circumstances when determining the appropriate and fair investigative approach and enforcement actions to take in relation to bylaw complaints.	10	B.3.6	<i>Wording to be added to box on page 10</i>
