For the Meeting of: (LTC meetings in Oct. and Nov.)
Date prepared: October 3, 2013
File No.: Strategic Plan

SUBJECT: ISLANDS TRUST COUNCIL STRATEGIC PLAN – LTC INPUT

DESCRIPTION OF ISSUE:

Local Trust Committee input to Islands Trust Council Strategic Plan

BACKGROUND:

At its meeting in September 2013, the Islands Trust Council endorsed the Objectives, Strategies, Activities and Phases (columns 1-3) illustrated in the August 27, 2013 version of its Strategic Plan for 2011-2014 (Attachment 1).

Trust Council also requested Council Committees, Local Trust Committees and the Trust Fund Board to provide recommendations to the Financial Planning Committee and the Executive Committee in November, regarding:

- a. Their projected ability to complete Strategic Plan items on target
- b. Identification of any Strategic Plan items they recommend for amendment, removal or delay
- c. Identification of any items that should be added to the Strategic Plan
- d. Recommendations regarding any new resources that should be included in the annual budget in order to complete Strategic Plan items on target

Trust Council has requested the Financial Planning Committee to use the August 27, 2013 version of the Strategic Plan for the purposes of budget development, after considering recommendations of other Council committees, local trust committees and the Trust Fund Board. It has also requested the Executive Committee to make recommendations in December 2013 regarding amendments to the Strategic Plan for 2011-2014.

The August 27, 2013 version of Trust Council's Strategic Plan is being circulated to Council Committees, local trust committees and the Trust Fund Board as requested.

The Financial Planning Committee will meet on October 30 and November 13 to discuss a first draft of the 2014/2014 annual budget for Trust Council's review in December 2013. Following public consultation in February 2014, Trust Council would then adopt a budget in March 2014 and amend its Strategic Plan, as necessary, in response to the budget it has adopted.

Our Provincial Mandate

“to preserve and protect the trust area and its unique amenities and environment for the benefit of the residents of the trust area and of British Columbia generally, in cooperation with municipalities, regional districts, improvement districts, other persons and organizations and the government of British Columbia”

– Islands Trust Act

Islands Trust Council — Strategic Plan 2011-2014

Adopted September 12, 2012 – updated to September 12, 2013

The Trust Area

The Trust Area covers the islands and waters between the British Columbia mainland and southern Vancouver Island, including Howe Sound and as far north as Comox. This is a unique and special place composed of 13 major islands and more than 450 smaller islands covering approximately 5200 square kilometres.

The beauty, tranquility, and sometimes fragile natural environment of the islands in the Strait of Georgia and Howe Sound, characterized by an exceptional variety of species, have given the area national recognition.

The islands support strong communities characterized by a mix of lifestyles, livelihoods and individuals. Island residents bring unique skills, viewpoints and sense of place together to sustain a tradition of community involvement.

Our Council

The Islands Trust Council has a unique mandate from the province to preserve and protect the amenities and environment of the Islands Trust Area, for the benefit of residents and all British Columbians. It meets quarterly to make decisions about the Islands Trust’s overall policy, advocacy positions, staff resources and budget. Trust Council is made up of the 26 locally-elected trustees who also sit on 12 local trust committees and one island municipality. There they have responsibilities for land use planning and regulatory decisions that are separate from their role at the Islands Trust Council. The current Council was elected for a 3-year term during BC Local General Elections in November 2011. Trustee terms will end in November 2014.

A Strategic Plan for the 2011-2014 term

The Islands Trust Policy Statement is partially implemented through Council’s strategic plan. By identifying goals and developing a plan to achieve them, Council focuses finite resources and measures progress. After extensive review and public input, Trust Council has confirmed the following focus areas for its 2011-2014 term:

Goal A - Ecosystem Preservation and Protection

The Islands Trust will work to protect the natural environment of islands by:

- Encouraging and enabling islanders in voluntary stewardship actions that protect special areas, including the shoreline
- Working to protect fish habitat under BC’s Riparian Areas Regulation
- Protecting special ecosystems, managing shoreline areas and reducing greenhouse gas emissions when land use decisions are made
- Advocating for new approaches to oil spill preparedness, derelict vessels, industrial developments, aquaculture, marine sewage and national marine conservation

Goal B – Stewardship of Island Resources

The Islands Trust will focus on good management of island water resources by:

- Encouraging voluntary stewardship, advocating for legislative reform and exploring creative solutions for watershed management
- Using land use planning tools and decisions to protect the quality and quantity of water resources

Goal C – Sustain Island Character and Healthy Communities

The Islands Trust will work to enhance the economic sustainability and security of island communities by:

- Creating linkages between islanders and regional districts to share effective economic development models
- Continuing to advocate for sustainable, affordable and appropriate ferry services
- Using land use planning tools and decisions to positively affect housing affordability, food security and farmland protection

Goal D – In Cooperation with Others

The Islands Trust will work with others by:

- Strengthening relations with the many First Nations who have interests in island land use decisions
- Continually working to improve our organizational effectiveness

Re: Recommendation to Disband Advisory Planning Commission (APC)
Gabriola Local Trust Committee meeting Oct. 10, 2013, "town hall" agenda item
Submission by the Gabriola Property Rights Action Group PRAG.

Dear members of the Gabriola Local Trust Committee,

As most of you know, my name is Barton Jessup, 776 Roxanne Blvd., Gabriola. I am presenting these remarks to you on behalf of the Gabriola Property Rights Action Group PRAG.

I would like to speak briefly to you concerning the composition and recommendations of the Advisory Planning Commission over the past 12 months. The APC was created by bylaw 209 adopted Nov. 28th, 2002, and has been composed of various members appointed by the LTC over the years.

First, PRAG does not think that the past year's APC membership has been representative of Gabriolans. Secondly, the advice the APC has provided has not been in the best interests of the Gabriola community. Recommendations have been made which damage homeowners and taxpayers, and disrupt community tranquility.

We therefore recommend that the LTC disband its Advisory Planning Commission.

PRAG would be pleased to provide further consultation concerning these and related matters. Thank you for your kind attention.
