

**I, David Rogers,  
AM ASKING FOR  
YOUR SUPPORT  
SO I CAN SUPPORT  
YOU**

**What I want to do if I am  
elected:**

-to strongly advocate for the O.C.P. document that this community spent so much time to word in a precise and intentional manner conveying the thoughts, feelings and values of this community to guide the decisions of future representatives

-to engage with individuals and the community in a meaningful manner to address wishes, concerns and to promote tolerance and understanding

-to promote the rural lifestyle that allows residents the freedom to be who they are

-to protect the island, its flora and fauna, both on the island and in the surrounding waters

-to liaise with other governing bodies, advocating for lasqueti and our community
