

Thank you for considering re-electing myself as a Trustee for Mayne Island.

Over the past four years I have worked hard to listen to islanders and represent their needs and concerns. I believe I have been honest and fair in deliberations and worked towards positive outcomes.

The next four years presents challenges for Trustees in the forms of Governance and Management and a potential Provincial review of the Trust as a whole.

I would be honoured to be able to continue to be a representative of the island in these important times in the history of the Trust.
