

Re-elect Jeanine Dodds for Islands Trust 2022 Experience in these challenging times is key.

I came to Mayne Island as a child in 1960, when the population was about 150. I met and married John here and we raised our 3 children on Mayne Island.

We now, 51 years later, own and operate Mayne Island Courier and Journeys End Farm.

I have very deep roots in our community which has seen many changes during my life here.

With recent increases in our population, 37% in the last census, and the impacts of the COVID Pandemic our community needs continuing stability.

My major focus last term was on housing, building smaller structures while allowing for additional dwellings on those properties. The goal of creating housing opportunities that reduce our ecological footprint and protect our environment will mitigate the impacts of growth as we can continue to house our diverse population. This is one key way to maintain our Island way of life.

In my next term I will continue:

- lobbying for action on the fallow deer crisis and it's subsequent ecological damage.
- seeking creative housing options.
- enhancing economic opportunities suited to a rural Island community.
- embracing good land use planning tools that work for our Island.
- on a path to reconciliation with First Nation partners that moves slowly but continuously, working together to foster a healthy and balanced community.

Vote Jeanine Dodds

October 15th at the Mayne Island Community Centre; 8am – 8pm

Advance poll, October 8th and 12th at the Mayne Island Community Centre; 8am-8pm

I look forward to my next term where I will continue to champion a community that can change and grow but keep the true essence of preserving and protecting our lands for future generations
