I have been involved in many volunteer positions including the Climate Action Plan 2.0 update, Island Pathways, Cycling SS, PCP and SSI Housing Council. I've also spent many years on the frontlines as Ancient Forest protector as well as several years as an officer on Greenpeace ships. Boatbuilder, sailor, house builder (my 1st one in

1980 on SSI), single parent of two boys, I am now retired and live on a small scale organic farm with my wife.
